## 3 REJOICE IN THE LORD ALWAYS

### Chapter 4

- What does rejoice in the LORD always mean?
- Does rejoicing in the LORD mean we should always be joyful in bad times?
- What challenges do we have that prevents us from having such JOY?
- If we look at Joseph how many of us would have given up with all the bad things that happened to him?
- Discuss those things that you feel disrupts your joy and peace?
- Just because things have taken a turn for the worse does that mean GOD has abandoned us?
